

Welcome to the Village at Highlands.

The Village at Highlands Hospitality Committee is here to foster a cohesive community by organizing fun, interesting events for the entire community so neighbors can meet and socialize.

Our events include a neighborhood block party in the spring, a fall wine tasting party, a winter holiday party held at a local venue, and winter lamppost decorations. An annual donation of \$10.00 to the Hospitality Committee to support the year's events is suggested.

Our events schedule is posted at the Village at Highlands web site at <http://villageathighlands.com/>

As you access this site, you will notice there is a "members only" section. This section contains our directory as well as important community information.
