

# Welcome to the Village at Highlands.

The Village at Highlands Hospitality Committee is here to foster a cohesive community by organizing fun, interesting events for the entire community so neighbors can meet and socialize.

Our events include a neighborhood block party in the spring, a fall event, a winter holiday party held at a local venue, and winter lamppost decorations. An annual donation of \$10.00 to the Hospitality Committee to support the year's events is suggested.

Our events schedule is posted at the Village at Highlands's web site at <http://www.VillageatHighlands.com/>

As you access this site, you will notice there is a "members only" section. This section contains our directory as well as important community information.

To enter the "members only" section, and have your information listed in the directory, please contact The Village at Highlands Owners Association President.

If you have any suggestions for activities, want to volunteer, or just have a question, feel free to contact a member of the committee.
